

## Apply my knowledge of time, place and manner adverbials

Define adverbs and adverbials of time place and manner:

An **adverb** of time, place or manner is

a \_\_\_\_\_ that describes

\_\_\_\_\_

A time, place or manner **adverbial** is a

\_\_\_\_\_ which describes

\_\_\_\_\_

Identify time (T), place (P) and manner (M) in the paragraph below:

It was Nick's birthday in the morning.

He peeked in the wooden box as quietly as possible to see if any presents were inside. The next morning, he was awoken without warning to the sound of his family singing.

Deeper Thinking: Are they adverbs or adverbials? How do you know?

Write a short paragraph about this image and include at least 3 time, place and manner adverbials:

Underline time in red, place in blue and manner adverbials in green.
